Dear NEI Graduate,

We appreciate the support that you have given our organization in the past year. We look forward to your continued support of our organization in the year ahead. We appreciate Charlie Connolly and his efforts to continue in Ed Tully's footsteps providing the publication of the NEI Newsletter quarterly. We will continue to provide this publication and look forward to more of you contributing to the newsletter. If you have anything to add please contact Charlie at cpcretnypd@aol.com.

There is new blood in the organization this year. As was mentioned in the last couple of newsletters we will be holding elections this year in Sun Valley for the NEI Board of Directors. This will be voted on by the members at the summer meeting. We look forward to working with old and new board members.

We have continued to make tremendous strides in updating and reconnecting with our NEI Graduates whom we may have lost contact with in the past. We continue to receive updated information on a daily basis. Please continue to recommend the website and have them follow-up to get current on their membership information.

The annual training session will be in Sun Valley, Idaho in June. We are currently working on the agenda and the registration website. We will have them posted to the website by the end of March. The National Executive Institute Associates in conjunction with the Federal Bureau of Investigation hosts this training seminar for the Major Cities Chiefs of Police, Major County Sheriffs, and the National Executive Institute Members. The registration for this conference will be done online. Please make sure to visit the website for the information.

If you are not current on your membership with the NEIA, I would encourage you to reconnect with us and become an active member. Information about the membership, training seminars, newsletter, and current articles can be found on the website at www.neiassociates.org. Any relevant information is maintained up to date and posted on the website.

Benefits of your membership from a professional standpoint are innumerable. We continue to stress the importance of collaboration. Please remember that if you are still on active duty law enforcement and are a member of the NEIA, the FBI will pay your travel expenses to the training seminar. If you aren't a current member, it is not too late to get current, please contact us today.

Aimee Baarz continues to coordinate the dues effort for NEIA. If you have any questions at all or you just want to make sure we have your current information please contact her. Her contact information is as follows:

We encourage you to send us your contact information which includes a current address, phone number, and e-mail address so we can notify you of future events and topics of interest. Thank you for all you do for our organization. I hope to see you at Sun Valley this year.

Sincerely,

Gary L. Penrith, President
